WEDDINGS AND EVENTS

10 reasons why you need a wedding planner:

1. We save you money by negotiating discounts with suppliers
2. We save you time - the average wedding takes over 200 hours to plan
3. Allows your day to be stress-free so you can relax and have fun with your guests
4. We act as the 'middle man' - we deal with all the questions from suppliers
5. We bring your vision, dreams and ideas to life
6. We handle any crises behind the scenes
7. We recommend trusted suppliers
8. We help you stick to your budget
9. It saves your family and friends being delegated jobs
10. We bring our knowledge and expertise to weddings and can help with creative ideas
